# 2004 Winter FRED Event

## Indiana Jones™ Grand Celebration Party

Orlando, Florida

Monday, January 19 7:15 PM - 10:00 PM

Hosted By:

What do you get when you put together a huge run-away boulder, a belly dancer, an all-you-can-eat dessert buffet and a bunch of good friends? A really great time at the FRED Event! Thanks to the generous support of Communications Data Group, the Grand Sponsor of FRED's Indiana Jones™ Grand Celebration Party, and many other sponsors, more than \$40,000 was raised in support of FRED programs.

Close to 650 OPASTCO Convention attendees joined the party and were treated to a live performance of Indiana Jones making his way through the Mayan Temple in search of the golden idol. Guests were then welcomed on to the stage to enjoy a lavish dessert buffet and hosted beverages. Throughout the evening, street performers entertained the crowd with juggling, sword swallowing, and, of course, belly-dancing. Children had their picture taken on a model of Indy's motorcycle and got Henna tattoos. At the end of the lively evening, guests strolled out of the otherwise totally quiet MGM Studios Theme Park and headed back to the hotel.
