2006 Summer FRED Event

Night at the Derby

Homestead, Virginia

Tuesday, July 18 6:00 - 9:00 PM

During the OPASTCO convention, FRED hosted a Night at the Derby. The evening included dinner, video horse racing, a silent auction and fun activities for the children. Over of 14 auction packages donated by OPASTCO and FRED committee members were up for bid and included electronics, sports memorabilia, Disney park passes, a golf vacation, and more.

The highlight of the night was the live auction of a golf putter, donated to FRED. The putter first sold for \$80 and was then donated back to FRED 5 times, raising \$580. Many thanks goes out to the following generous individuals who participated in this fun activity: Steve Meltzer, Hans Nelson, Mark Gailey, Tony Duet, Alvin Fuhrman, Chris Becker, Ron Laudner and the Dupree Family, who finally received the famous putter! A total of \$32,000 was raised from the overall event. Read more about the event in the upcoming issue of the OPASTCO Roundtable magazine and FRED Focus newsletter.
