# 2006 Winter FRED Event

## LUAU

Maui, Hawaii

Monday, January 23 5:00 - 8:30 PM

Hosted By:

As warm winds blew and the ocean crashed beyond the sandy beach, 700 OPASTCO members met for FRED's Traditional Luau on the lawn of the Grand Wailea Resort. Each guest was welcomed into the Polynesian paradise with a warm "aloha" greeting and a fresh flower lei that they could enjoy for the rest of their stay on the island. It was hard to resist putting on the beach comber welcome gift and watching the picture perfect sunset.

Everyone came hungry and lined up to visit the vast buffets that were set up with all the traditional luau favorites including Kalua Pig, Baked Molokai Sweet Potatoes and Yams, Baked Mahi-Mahi, Steamed Rice, Taro Rolls. A dessert bar with an assortment of freshly baked items created especially for FRED by the pastry chef delighted everyone. After dinner, the Polynesian Luau Show entertained and amazed the entire audience with playful hulas, intricate dance moves and of course, the spectacular Fire Knife Performance. The evening ended with a warm "Mahalo" (thank you) from the Polynesian dancers who invited everyone for a return trip to Maui. Thanks to ticket sales and sponsorship, \$42,000 was raised for FRED programs!
