2008 Summer FRED Event

Dinner Cruise on the Saint Lawrence River

Quebec, Canada

Tuesday, July 15 6:00 - 10:00 PM

Hosted By: **COBANK**

More than 300 OPASTCO guests experienced the beautiful city of Quebec on the majestic Louis-Joliet as it cruised along the Saint Lawrence River. The group had exclusive access to the vessel for a private dinner and guided cruise in July. The spacious Louis-Joliet had three levels for dining, plus one large exterior terrace that covers the whole stern of the ship. Cameras were out and capturing magnificent views of Orleans Island, Montmorency Falls, and Chateau Frontenac with the Laurentian Mountains in the background. The event was for the entire family as children enjoyed activities just for them. Adults played casino games and danced to the tunes played by a DJ on the dance floor and outside deck. Thanks to the support of CoBank, the grand sponsor, and the many other sponsors, FRED raised more than \$25,000 for FRED programs. Thanks for attending!!!
